School District Elections

School District elections are non-partisan, governed by the general election laws of the State, and include the election of School Board members, various public policy propositions, and advisory questions. Board members are elected at the consolidated election held on the first Tuesday in April in odd-numbered years. If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover. The canvass of votes is conducted by the election authority within 21 days after the election.

The Board, by proper resolution, may cause to be placed on the ballot: (a) public policy referendum according to Article 28 of the Election Code, or (b) advisory questions of public policy according to Section 9-1.5 of the School Code.

The Board Secretary serves as the local election official. He or she receives petitions for the submission of a public question to referenda and forwards them to the proper election officer and otherwise provides information to the community concerning District elections.

Vacancy

Elective office of a School Board member becomes vacant before the term's expiration when any of the following occurs:

1. Death of the incumbent;
2. Resignation in writing filed with the Secretary of the School Board;
3. Legal disability of the incumbent;
4. Conviction of a felony, bribery, perjury, or other infamous crime or of any offense involving a violation of official oath or of a violent crime against a child;
5. Removal from office;
6. The decision of a competent tribunal declaring his or her election void;

Filling Vacancies

Whenever a vacancy occurs, the remaining members shall notify the Regional Superintendent of Schools of that vacancy within 5 days after its occurrence and shall fill the vacancy until the next regular School Board election, at which election a successor shall be elected to serve the remainder of the unexpired term. However, if the vacancy occurs with less than 868 days remaining in the term, the person so appointed shall serve the remainder of the unexpired term, and no election to fill the vacancy shall be held. Members appointed by the remaining members of the Board to fill vacancies shall meet any residential requirements as specified in The School Code. The Board shall fill the vacancy within 45 days after it occurred by a public vote at a meeting of the Board.

Immediately following a vacancy on the School Board, the Board will publicize it and accept letters of interest from District residents who are interested in filling the vacancy. After reviewing the letters, the Board may invite the prospective candidates for personal interviews to be conducted during duly scheduled closed meetings.

Exhibit - Checklist for Filling Board Vacancies by Appointment

The School Board fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs Vacancies on the Board of Education*, published by a committee of the Illinois Council of School Attorneys, and available at: www.iasb.com/law/ICSAFAQsonBoardVacancies.pdf.

- Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.

- Notify the Regional Superintendent of the vacancy within 5 days of its occurrence (105 ILCS 5/10-10).**

- Develop list of qualifications for appointment of a person to fill vacancy.**

Guidelines	Explanation
<p>At a minimum, the Board uses election qualifications, that is, a candidate must meet the following:</p> <ul style="list-style-type: none"> • Be a United States citizen. • Be at least 18 years of age. • Be a resident of Illinois and the District for at least one year immediately preceding the appointment. • Be a registered voter. • Not be a child sex offender. 	<p>While <u>The School Code</u> does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB's <i>Recruiting School Board Candidates</i>, available at: www.iasb.com/elections/recruiting.pdf.</p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs, Conflict of Interest and Incompatible Offices</i>, published by the</p>

Guidelines	Explanation
<ul style="list-style-type: none"> • Not hold another incompatible public office. • Not have a prohibited interest in any contract with the District. • Not be a school trustee. • Not hold certain types of prohibited State or federal employment. 	Ill. Council of School Attorneys, available at: www.iasb.com/law/conflict.cfm .
When additional qualifications apply, the following items may be included in the Board’s list of qualifications: <ul style="list-style-type: none"> • Meet all qualifications based upon the distribution of population among congressional townships in the district. • Meet all qualifications based upon the distribution of population among incorporated and unincorporated areas. 	Board members of some community unit school districts may be subject to historical residential qualifications based on the distribution of population among congressional townships in the district or between the district’s incorporated and unincorporated areas (105 ILCS 5/11A-8).

Decide who will receive completed vacancy applications.

Guidelines	Explanation
The Board President will accept applications. The Board will discuss, at an open meeting, its process to review the applications and who will contact applicants for an interview.	Who accepts vacancy applications is at the Board’s sole discretion. According to 2:110, <i>Qualifications, Term, and Duties of Board Officers</i> , the Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent’s secretary if the Board determines that it is more convenient. Who accepts the applications must be decided prior to posting the vacancy announcement.

The following precepts govern political activities being conducted by District employees and School Board members:

1. No employee shall intentionally perform any *political activity* during any *compensated time*, as those terms are defined herein.
2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee, shall intentionally solicit or accept any *gift* from any *prohibited source*, as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fund-raising event in support of a political organization or candidate.

4. Educational materials and missions.
5. Travel expenses for a meeting to discuss business.

A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code.

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Superintendent or Board President shall, after consulting with the Board attorney, either place the alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. For additional information, see Board policy 2:120, *Board Member Development*.

The following table contains mandatory and non-mandatory training and development activities that were completed by each Board member. When the training was provided by the Illinois Association of School Boards, the acronym "IASB" follows the listed activity.

Name	Development and Training Activity and Provider	Date Completed (beginning in 2012 unless otherwise noted)

The Illinois Association of School Boards (IASB) is a voluntary organization of local boards of education dedicated to strengthening the Illinois public schools through local citizen control. Board Member Expenses

No School Board member may receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

The Board may advance or reimburse members the actual and necessary expenses incurred while attending:

1. Meetings sponsored by the Illinois State School Board of Education or by the Regional Superintendent of Schools;
2. County or regional meetings and the annual meeting sponsored by any School Board association complying with Article 23 of The School Code; and
3. Meetings sponsored by an organization in the field of public school education.

In addition, the Board may reimburse a member for registration fees or tuition for a course that allowed the member to comply with the mandatory training described in policy 2:120, *Board Member Development*.

Expense reimbursement is not guaranteed and Board members should seek pre-approval of expenses, except in situations when the expense is diminutive. A member must return to the District any portion of an expense advance not used. Members must submit an itemized, signed voucher to support any expense advanced or to seek expense reimbursement. The voucher must show the amount of actual expense, attaching receipts if possible. A Board member submitting a bill for a group function should record the names of members participating on the receipt. Money shall not be advanced or reimbursed for: (1) the expenses of any person except the Board member, or (2) anyone's personal expenses.

The Superintendent shall review the submitted vouchers for compliance with this policy. If any voucher's compliance appears uncertain, the Superintendent shall notify the Board President, or Vice President if the voucher in question is from the President, as well as the Board member who submitted the voucher. The Superintendent shall include the voucher in the monthly list of bills that are presented to the Board for approval or rejection.

Registration

When possible, registration fees will be paid by the District in advance.

Transportation

The least expensive transportation will be used, providing that no hardship will be caused to the Board member. School Board members will be reimbursed for:

1. Air travel at the coach or single class commercial airline rate. First class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be

explained on the expense voucher. Copies of airline tickets must be attached to the expense voucher.

2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets will be attached to the expense voucher to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purpose. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense voucher.
5. Taxis, airport limousines, or other local transportation costs.

Hotel/Motel Charges

Board members should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Board members should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense voucher.

Meal Charges

Meal charges to the School District should represent "mid-fare" selections for the hotel/meeting facility or general area. Tips are included with the meal charges. Expense vouchers must explain the meal charges incurred.

Miscellaneous Expenses

Board members may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense voucher, attaching receipts if possible.

The Board considers the recommendations of the Superintendent as the District's Chief Executive Officer. The Board adopts policies necessary to provide general direction for the District and to encourage achievement of District goals. Communications To and From the Board

The School Board welcomes communications from staff members, parents, students, and community members. Individuals may submit questions or communications for the School Board's consideration to the Superintendent or may use the electronic link to the Board's email address(es) that is posted on the District's website. In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of District business with a majority of a Board-quorum.

The Superintendent or designee shall:

1. Ensure that the home page for the District's website contains an active electronic link to the email address(es) for the School Board, and
2. Provide the Board, such as in the Board meeting packet, with all emails that are received and any feedback regarding them.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Superintendent's office. Board members will not take individual action that might compromise the Board or District. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing District business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items

Exhibit - Guidance for Board Member Communications, Including Email Use

The School Board is authorized to discuss District business only at a properly noticed Board meeting (Open Meetings Act, 5 ILCS 120/). Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a *do not reply/forward* alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared

by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill.App.4th, 2013).

The following *examples* describe FOIA’s treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate the Open Meetings Act and, thus, are subject to disclosure during proceedings to enforce the Open Meetings Act.
 - b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
 - c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
 - d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District’s possession.
 - e. Either sent to or from a Board member’s personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District’s possession because Board members were functioning collectively as a public body.

The District’s Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act, only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation (Local Records Act, 50 ILCS 205/). An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the Local Records Act.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4, amended by P.A. 98-1063.

Committees

The School Board may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Board Policy Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee. This committee assists in the development of student discipline policy and procedure and provides information and recommendations to the Board. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*, and provides information and recommendations to the Board. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members.

Committee members include the Superintendent or designee, the District's medical advisor, and employee representatives from both professional and educational support personnel. The committee is guided by Board policies, administrative procedures, and relevant State and federal statutes. See policy 5:50, *Drug- and Alcohol-Free Workplace; Tobacco Prohibition*.

The joint committee is “composed of equal representation selected by the district and its teachers, or where applicable, the exclusive bargaining representative of its teachers.” 105 ILCS 5/24A-4(b). If, within 180 calendar days of the committee’s first meeting, the committee does not reach agreement on the plan, the District must implement ISBE’s model evaluation plan with respect to the use of data and indicators on student growth. The amendment of an evaluation plan continues to be a mandatory subject of bargaining.
2. RIF joint committee. This mandatory committee convenes annually to consider issues identified in the statute concerning the selection of teachers for layoff. 105 ILCS 5/24-12(c). On or before December 1 each year, the RIF joint committee must be established and must hold its first meeting. Exhibit - Checklist for Selecting a Board Attorney

The School Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms, but it can be adapted for an application process, if the Board seeks an in-house attorney. For more information, call the IASB Office of General Counsel; see its current phone numbers at www.iasb.com/whatis/staff.cfm.

Determine what type of legal services the District needs.

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the District's legal needs are best served by in-house attorney(s) or outside attorney(s)/law firms. Many districts use a combination of these services. Many districts also use multiple attorney(s)/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorney(s)/law firms, but it can be adapted for an application process, which would better fit if the Board seeks an in-house attorney.
2. Consider the following factors to analyze the type(s) of legal services needed for the District including, but are not limited to:
 - District's size;
 - Any past and current experiences with legal matters;
 - Complexity of the District's legal needs;
 - Availability of expertise; and
 - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

Develop a list of qualifications necessary for providing quality legal services to the District.

1. Review policy 4:60, Purchases and Contracts. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align contracts for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the District's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
 - Licensed to practice law in Illinois and in good standing with the Illinois Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
 - Member of the District's assigned United States district court and the Seventh Circuit Court of Appeals
 - Substantive knowledge and experience in the legal areas matching District's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom

of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the District's identified needs and may change from time to time.

- Experience in all aspects of contract, employment, and school law
- Experience that meets the District's needs, including litigation experience in State and federal courts
- Membership in professional associations, such as, the Illinois Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
- Demonstrated knowledge of and ability to apply professional responsibility rules
- Accessibility for the District's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the District will be to the exclusion of all other clients having potential conflicts with the District's interests
- When additional qualifications apply, those list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

Develop the RFP.

1. Insert the list of qualifications that the Board developed.
2. Include the following information:
 - The deadline for responses to be submitted
 - The location (address or email) where responses should be sent
 - A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School District
 - Significant information about the District. See Board policy 1:30, *School District Philosophy*, for the District's mission statement that is specific to the community's goals.
 - The scope of work, e.g., "The Board Attorney will provide legal advice concerning *[typical duties, specific duties, excluded duties]*."
 - Qualifications
 - Details about interviews and presentations
3. Specify what responders must include in their responses, such as the following:
 - Cover letter, complete name, address, and legal structure (if the responder is a law firm)
 - The individuals who prepared the response, including their titles
 - If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
 - A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."

- A summary of the responder's relevant experience representing public schools
- A writing sample
- An assurance that the responder meets the RFP's qualifications
- References including current or past clients

Announce the RFP.

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the District's website, mail it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the Council of School Attorneys (ICSA) is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Illinois State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [*Insert District's name*] School Board Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve from the date of appointment to [*date*]. The length of the appointment is at the Board's discretion.
4. State the School District's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned [*by certain time and date*] to [*name and title of person receiving applications*].

Receive and manage responses to the RFP.

1. Review policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

Develop interview questions.

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.

3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
- What do you see as your role as Board Attorney?
 - How many other school districts do you currently represent?
 - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
 - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school districts?
 - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *Ill. Rules of Professional Conduct*, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the District. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, **PRESS** policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board and Superintendent are in conflict? How about a divided Board? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - Will you try to shape Board decisions or do you have a *whatever the Board decides philosophy*? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - Do you provide your school Board clients with any updating services gratis?
 - How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
 - Will you be handling this business personally (i.e., will you delegate to your associates or partners)?

- Can anyone else in your firm handle our inquiries when you are unavailable?
- How do you keep current on school law?
- When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
- Have you represented a school district in a matter involving the rights of disabled students? ...involving disabled employees? ... involving a student expulsion? ... involving a teacher dismissal? ... involving an employee's contract or dismissal? ... involving a building contract or bidding matter? ... Can you tell us about that case?
- How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
- Did you bring a written agreement for legal services or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services.

Develop an interview protocol. Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP (see 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, Qualifications, Term, and Duties of Board Officers.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:
 - Introduce Board members to the responder.
 - Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney.
 - Describe the District's philosophy or mission statement.
 - Describe the Board Attorney position by reviewing the RFP.
 - Begin asking the interview questions. (See *Develop interview questions*, above).
 - Ask the responder whether he or she has any questions for the Board.
 - Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision.

Conduct a reference check and other background investigation(s).

1. The Board President may perform this check or direct the Superintendent to:
 - Check the ARDC's master roll of attorneys as "Authorized to Practice Law." To do this, enter the attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/lawyersearch.asp.

- Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen.
 - If disciplinary actions are listed, ask the attorney or law firm for more information.
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
 3. Call references provided by the responder.
- Enter into a written contract with the selected attorney or law firm.**
1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAC-14-002).
 2. Discuss the fee arrangements with the responder and decide:
 - Whether to enter into a fee arrangement or a retainer agreement. Note: Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many districts enter into a retainer agreement for legal services that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the district needs him or her. Districts find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.
 - The appropriate scope of services.
 3. Review the written contract (*Agreement for Legal Services*) for these provisions:
 - Fee arrangement.
 - Scope of services.
 - Who will be providing legal services?
 - A statement that the Board controls all legal decisions.
 - A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it.
 - Board's right to terminate the services of the attorney and law firm at any time for any reason.
 4. Approve the *Agreement for Legal Services* during an open Board meeting.
- Announce the appointment to District staff and community.**
1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.

2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
 - The Board appointed [attorney's name or law firm name] as the Board Attorney.
 - The appointment will begin on [date] for [length of time].
 - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner. [Attorney or law firm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge.

School Board

School Board Meeting Procedure

Agenda

The Board President is responsible for focusing the Board meetings' agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before School Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Superintendent or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. The Board will take final action on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present" or a vote other than "yea" or "nay", or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay", or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board unless otherwise stated in law. The sequence for casting votes shall be rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, the members making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the School Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The School Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The School Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meetings minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the districts office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the district's website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollection.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment of District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open School Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting,, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Board Policy Development

School Board governance requires written policies. Written policies ensure legal compliance, establish board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the process for monitoring progress toward District ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others may be made to the Board President or the Superintendent.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will be affected by a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the school attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when appropriate for a consent agenda because no Board discussion is required, or to meet emergency conditions or special events. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input.

The School Board policies are available for public inspection in the administrative office during regular office hours. Copy requests should be made under the District's Access to Public Records Policy.

Board Policy Review and Evaluation

The School Board will monitor its policies and consider whether any modifications are required.

Superintendent Implementation

The Board will support any reasonable interpretation of School Board policy made by the Superintendent. If reasonable minds differ, the Board will review policy and consider the need for further clarification.

In the absence of School Board policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy not established by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended

as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or

her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The list below contains the categories of records kept by the District; some of the records within these categories are exempt and, therefore, will not be disclosed in response to a FOIA request.
 - a. Board governance, including without limitation, Board meeting calendar and notices, Board meeting agendas and minutes, Board policy
 - b. Fiscal and business management, including without limitation, levy resolution and certificate of tax levy, audit, line-item budget, grant documents, account statements, accounts payable list, contracts, legal notices, bidding specifications, requests for proposals
 - c. Personnel, including without limitation, employee contact information, salary schedules, staff handbook, collective bargaining agreements, personnel file material

- d. Students and instruction, including without limitation, accountability documents, calendars, student handbooks, learning outcomes, student school records

D. Fee Schedule

The FOIA Officer establishes a fee schedule (from time-to-time as appropriate) that complies with 5 ILCS 140/6, amended by P.A. 98-1129, including each of the following:

1. The fees, except when otherwise fixed by statute, must: (a) be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records, and (b) not exceed that maximum fee amount set by FOIA.
2. Statutory fees applicable to copies of public records when furnished in a paper format are not applicable to those records when furnished in an electronic format.
3. No fees charged for the first 50 pages of black and white, letter or legal sized copies furnished to a requester.
4. The fee for black and white, letter or legal sized copies shall not exceed 15 cents per page.
5. If the District provides copies in color or in a size other than letter or legal, the fee may not be more than its actual cost for reproducing the records.
6. A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the general public's health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. In setting the reduction's amount, the FOIA Officer considers the amount of materials requested and the cost of copying them.
7. If a voluminous request is for electronic records and the responsive records are:
 - a. Not in a portable document format (PDF), the District charges up to \$20 for not more than 2 megabytes of data, up to \$40 for more than 2 but not more than 4 megabytes of data, and up to \$100 for more than 4 megabytes of data.
 - b. In a PDF, the District charges up to \$20 for not more than 80 megabytes of data, up to \$40 for more than 80 megabytes but not more than 160 megabytes of data, and up to \$100 for more than 160 megabytes of data.
 - c. In both a PDF and not in a PDF, the District separates the fees and charges the requester under both fee scales.
8. Unless the request is for a commercial purpose or a voluminous request, the costs of any search for and review of the records or other personnel costs associated with reproducing the records are not included in the fee calculation. 5 ILCS 140/6(a).

*Section 6(a) states: "If a request is *not* a request for a *commercial purpose* or a *voluminous request*, a public body *may not* charge the requester for the costs of any search for and review of the records or other personnel costs associated with reproducing

the records.” (Emphasis added) This implies that a search and review fee may be charged when responding to a request for a *commercial purpose* or a *voluminous request*. However, Sec. 6(b) states that the search and review fee described in Sec. 6(f) may be charged *only to* someone making a *commercial request*. Sec. 6(f) contains the maximum amounts that may be charged for search and review but does not explain when they may be charged. The FOIA Officer will need to consult the Board Attorney.

When responding to a request for commercial purposes, as defined in 105 ILCS 2(c-10), the District charges:

- a. Up to \$10.00 for each hour spent by personnel in searching for or retrieving a requested record or examining the record for necessary reductions. No fee is charged for the first 8 hours spent by personnel in searching for or retrieving a requested record. 5 ILCS 140/6(f).
- b. The actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage company under contract with the District. 5 ILCS 140/6(f).

Someone making a voluminous request may be charged the fees as described above upon the FOIA Officer’s consult with the Board Attorney.

The FOIA Officer provides the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records under 7 and 8 above. 5 ILCS 140/6(a-5) and (f).

E. Response to FOIA Requests

The FOIA Officer must:

1. Comply with or deny a request for inspection or copying within 5 business days of receiving a records request, unless the time for response is extended. 5 ILCS 140/3. He or she may use forms prepared by the Ill. Public Access Counselor available at: foia.ilattorneygeneral.net/foia_formssampleletters.aspx.
2. Redact any and all exempt portion(s) of requested records containing both exempt and non-exempt material and release the remaining material. 5 ILCS 140/7.
3. Comply with the Personnel Record Review Act, 820 ILCS 40/.
 - a. The response to a request for a disciplinary report, letter of reprimand, or other disciplinary action depends on the age of the responsive record.
 - 1) If the responsive record is more than 4 years old, the request must be denied unless the release is ordered in a legal action or arbitration. 5 ILCS 140/7.5(q); 820 ILCS 40/8.
 - 2) If the responsive record is 4 years old or less, it must be disclosed and the employee must be notified in writing (first class mail) or by email, if available, on or before the day any such record is released, unless notice is not required under the Personnel

Record Review Act. 5 ILCS 140/7.5(q); 820 ILCS 40/7. A notice to the employee is not required if:

- The employee specifically waived written notice as part of a written, signed employment application with another employer;
- The disclosure is ordered to a party in a legal action or arbitration; or
- Information is requested by a government agency as a result of a claim or complaint by an employee, or as a result of a criminal investigation by such agency.

b. A request for a performance evaluation(s) must be denied. 820 ILCS 40/11.

F. Extensions of Time to Respond

The District FOIA Officer may extend the time for a response for any of the reasons stated in 5 ILCS 140/3(e)(i-vii), **quoted below**:

- (i) The requested records are stored in whole or in part at other locations than the office having charge of the requested records;
- (ii) The request requires the collection of a substantial number of specified records;
- (iii) The request is couched in categorical terms and requires an extensive search for the records responsive to it;
- (iv) The requested records have not been located in the course of routine search and additional efforts are being made to locate them;
- (v) The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under Section 7 of FOIA or should be revealed only with appropriate deletions;
- (vi) The request for records cannot be complied with by the public body within the time limits prescribed by paragraph (c) of Section 3 of FOIA without unduly burdening or interfering with the operations of the public body; or
- (vii) There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request.

If an extension of time for a response is needed, the FOIA Officer must perform one of the following actions within 5 business days after receipt of the request:

1. Notify the requester that the District is extending its time for response for no longer than 5 business days from the original due date, and identify the reason for the delay and the date on which a response will be made. 5 ILCS 140/3(e) and (f); or
2. Confer with the requester in an attempt to reach an agreement on an extended compliance date. The agreement must be in writing. 5 ILCS 140/3(e).

G. Unduly Burdensome Requests

Before invoking the *unduly burdensome* exemption, the FOIA Officer must confer with the requester in an attempt to reduce the request to manageable proportions. 5 ILCS 140/3(e) and (g). A request may be unduly burdensome due, for example, to the request's breadth. The FOIA Officer must explain to the requester in writing when a request continues to be unduly burdensome, specifying the reason why the request is unduly burdensome.

H. Requests for Commercial Purposes

A request is for *commercial purposes*, according to 5 ILCS 140/2(c-10), if:

[T]he use of any part of a public record or records, or information derived from public records, in any form for sale, resale, or solicitation or advertisement for sales or services. For purposes of this definition, requests made by news media and non-profit, scientific, or academic organizations shall not be considered to be made for a *commercial purpose* when the principal purpose of the request is (i) to access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education.

The FOIA Officer responds to a request that appears to be for commercial purposes pursuant to 5 ILCS 140/3.1 by:

1. Asking the requester to identify if the record is for a commercial purpose. See 2:250-E1, *Written Request for District Public Records*. It is unlawful for a person to knowingly obtain a public record for a commercial purpose without disclosing that it is for a commercial purpose, if requested to do so by the District. 5 ILCS 140/3.1(c).
2. Responding to a request for records to be used for a commercial purpose within 21 working days after receipt. The response must be one of the following: (a) provide an estimate of the time required by the District to provide the records and an estimate of the fees, which the requester may be required to pay in full before copying the requested documents; (b) deny the request pursuant to one or more of the exemptions; (c) notify the requester that the request is unduly burdensome and extend an opportunity to attempt to reduce the request to manageable proportions; or (d) provide the records requested.
3. Complying with a request, unless the records are exempt from disclosure, within a reasonable period considering the size and complexity of the request, and giving priority to records requested for non-commercial purposes.
4. Collecting a fee as described in subsection **D.** above.

I. Managing Requests from a Recurrent Requester

A request is from a *recurrent requester*, according to 5 ILCS 140/2(g), if:

[A] person that, in the 12 months immediately preceding the request, has submitted to the same public body (i) a minimum of 50 requests for records, (ii) a minimum of 15 requests for records within a 30-day period, or (iii) a minimum of 7 requests for records within a 7-day period. For purposes of this definition, requests made by news media and non-profit, scientific, or academic organizations shall not be considered in calculating the number of

requests made in the time period in this definition when the principal purpose of the requests is (i) to access and disseminate information concerning new and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) for the purpose of academic, scientific, or public research or education.

For purposes of this definition, one *request* may identify multiple records to be inspected or copied.

The District complies with a request from a recurrent requester within a reasonable period considering the size and complexity of the record, unless the records are exempt from disclosure. 5 ILCS 140/3.2(c).

The FOIA Officer responds to a request from a recurrent requester by:

1. Notifying the requester within 5 business days after receiving a request from a recurrent requester (5 ILCS 140/3.2(b) that:
 - a. The request is being treated as coming from a recurrent requester under 105 ILCS 140/2(g);
 - b. The reasons the request is being treated as coming from a recurrent requester;
 - c. The District will send an initial response within 21 business days after receipt of the request; and
 - d. The proposed FOIA responses that may be asserted pursuant to 5 ILCS 140/3.2(a). These are the same responses that the District can provide within 21 business days after receipt of a request.
2. Responding within 21 business days after receipt of a recurrent request with one of the following (5 ILCS 140/3.2(a):
 - a. An estimate of the time required by the District to provide the records and an estimate of the fees, which the requester is required to pay in full before the District copies the requested documents;
 - b. A denial pursuant to one or more of the exemptions;
 - c. Notification that the request is unduly burdensome and extend an opportunity to attempt to reduce the request to manageable proportions; or
 - d. The records as requested.

J. Managing Voluminous Requests

A *voluminous request*, according to 5 ILCS 140/2(g), means:

[A] request that:

- i. Includes more than 5 individual requests for more than 5 different categories of records or a combination of individual requests that total requests for more than 5 different categories of records in a period of 20 business days; or

- ii. Requires the compilation of more than 500 letter or legal-sized pages of public records unless a single requested record exceeds 500 pages. *Single requested record* may include, but is not limited to, one report, form, email, letter, memorandum, book, map, microfilm, tape, or recording.

According to 5 ILCS 140/2(g), a *voluminous request* “does not include a request made by news media and non-profit, scientific, or academic organizations if the principal purpose of the request is: (1) to access and disseminate information concerning news and current or passing events; (2) for articles of opinion or features of interest to the public; or (3) for the purpose of academic, scientific, or public research or education.”

The FOIA Officer responds to a voluminous request by:

1. Notifying the requester within 5 business days after receiving a voluminous request that:
 - a. The District is treating the request as a voluminous request under Section 3.6 of the Freedom of Information Act (FOIA).
 - b. The District is treating the request as voluminous for one of the following reasons:
 - 1) Includes more than 5 individual requests for more than 5 different categories of records or a combination of individual requests that total requests for more than 5 different categories of records in a period of 20 business days; or
 - 2) Requires the compilation of more than 500 letter or legal-sized pages of public records unless a single requested record exceeds 500 pages.
 - c. The requester must respond to the District within 10 business days after this response is sent. The requester must specify whether the requester would like to amend the request in such a way that the District will no longer treat the request as a voluminous request.
 - d. If the requester does not respond within 10 business days or if the request continues to be a voluminous request following the requester response, the District will respond to the request and assess any fees the District charges pursuant to Section 6 of FOIA.
 - e. The District has 5 business days after receipt of the requester’s response or 5 business days from the last day for the requester to amend the request, whichever is sooner, to respond to the request.
 - f. The District may request an additional 10 business days to comply with the request.
 - g. The requester has the right to review the District’s determination by the public access counselor whose address and phone number follows:

Public Access Counselor
Office of the Attorney General
500 S. 2nd Street
Springfield, Illinois 62706
Phone: 1-877-299-3642

- h. If the requester fails to accept or collect the responsive records, the District will still charge the requester for its response pursuant to Section 6 of FOIA and the requester's failure to pay will be considered a debt due and owing to the District and may be collected in accordance with applicable law.
2. Providing the requester 10 business days from the date the District responded to amend the request in such a way that the District will no longer treat it as a voluminous request.
3. If a request continues to be a voluminous request following the requester's reply or the requester fails to reply, responding within the earlier of 5 business days after the District receives the requester's reply or 5 business days after the final day for the requester to reply to the District's notification. The District's response must:
 - a. Provide an estimate of the fees to be charged, indicating whether the District requires the person to pay in full before the District copies the requested documents;
 - b. Deny the request pursuant to one or more of the exemptions sent out in FOIA;
 - c. Notify the requester that the request is unduly burdensome and extend an opportunity to the requester to attempt to reduce the request to manageable proportions; or
 - d. Provide the records as requested.

The District may extend the time for responding by not more than 10 business days from the final date for the requester to reply to the District's notification for any of the reasons provided in subsection Section 3(e) of FOIA.

The requester and District may agree in writing to extend the time for compliance for a period to be determined by the parties.

K. Denials

The FOIA Officer will deny a FOIA request for any of the exemptions in 5 ILCS 140/7 or 7.5. He or she will comply with 5 ILCS 140/9 by:

1. Providing the requester with a written response containing: (a) the reasons for the denial, including a detailed factual basis for the application of any exemption claimed; (b) the names and titles or positions of each person responsible for the denial; and (c) information about his or her right to review by the Public Access Counselor (include the address and phone number for the Public Access Counselor), and to judicial review under 5 ILCS 140/11.
2. Specifying the exemption claimed to authorize the denial and the specific reasons for the denial, including a detailed factual basis and a citation to supporting legal authority when the denial is based on the grounds that the records are exempt under 5 ILCS 140/7.
3. Retaining copies of all denial notices in a single central office file that is open to the public and indexed according to the type of exemption asserted and, to the extent feasible, according to the types of records requested. 5 ILCS 140/9(b).

L. Consultation with the Board Attorney

The FOIA Officer may consult with the Board Attorney, as needed, for legal advice concerning compliance with FOIA, including without limitation:

1. Responding to specific requests,
2. Communicating with the Office of the Ill. Attorney General or Public Access Counselor, or
3. During any judicial proceeding.

Administrative Procedure - Guidelines for Investigating Complaints and Allegations of Misconduct

All complaints are to be investigated, even when the complainant requests that nothing be done or is anonymous.

Step 1: Before the Investigation

- A. School employees must immediately report a suspicion of child abuse or neglect to the Illinois Department of Child and Family Services in compliance with State law and policy 5:90, *Abused and Neglected Child Reporting*. Reporting is required before proceeding further with the investigation.
- B. According to policy 2:260, *Uniform Grievance Procedure*, the Superintendent appoints at least one District Complaint Manager to administer the complaint process. If possible, the Superintendent will appoint two Complaint Managers, one of each gender. A Complaint Manager investigates: (1) complaints filed under policy 2:260, *Uniform Grievance Procedure*, and (2) allegations of employee misconduct.
- C. The appropriate Building Principal or designee investigates all allegations of student misconduct.
- D. Anyone with a complaint or making an allegation of misconduct should be referred to a Complaint Manager of their choosing or a Building Principal without delay.
- E. A Complaint Manager or Building Principal (hereafter referred to as *investigator*) will investigate all complaints or allegations of misconduct, except that, depending on the circumstances, the Superintendent or School Board may appoint a special investigator. Whenever the Superintendent deems necessary, an attorney may serve as a special investigator. See *considerations* under F below. The investigator should not have any involvement with the complainant or the alleged wrongdoer outside of the investigation. The Superintendent will ensure that investigators have sufficient authority and resources, including access to the School Board Attorney.
- F. Contact the Board Attorney to discuss the investigation process, including without limitation:
 1. Whether the investigator's notes and investigation records (including, without limitation, any audio or video recordings, photographs, or electronic images) are education records for purposes of the federal Family Education Rights and Privacy Act (FERPA) and/or school student records as defined in the Ill. School Student Records Act (105 ILCS 10/, implemented by 23 Ill.Admin.Code §375.10)?

2. Whether the investigator's notes and investigation records (including, without limitation, any audio or video recordings, photographs, or electronic images) will be subject to disclosure pursuant to a FOIA request? A PAC opinion, binding on the parties, found that a city's investigatory records of an employee were not private or adjudicatory records and must be disclosed pursuant to a FOIA request (PAC Opinion 13-110).
3. Whether to record conversations, and if so, how to obtain and document consent under the criminal eavesdropping statute? 720 ILCS 5/14-1 et seq., amended by P.A. 98-1142, prohibits recording a conversation in which someone has a reasonable expectation of privacy without the consent of all parties.
4. Whether the Board Attorney should participate in or conduct the investigation? Whether an outside attorney should serve as a special investigator? Considerations include:
 - a. The U.S. Supreme Court has held that a private attorney temporarily retained by government to perform an investigation of an employee is entitled to seek qualified immunity from suit under Section 1983. Filarsky v. Delia, 132 S.Ct. 1657 (2012).
 - b. The FOIA exemption for communications between a public body and its attorney is available in only limited situations. See PAC Opinion 14-02 interpreting 5 ILCS 140/7(m).
 - c. Documents prepared by attorneys conducting an investigation under the prospect of litigation will not be subject to discovery during a subsequent lawsuit. Sandra TE v. South Berwyn School Dist., 600 F. 3d 612 (7th Circuit 2010) (when attorneys, as attorneys, perform a factual investigation, their documents are protected by the attorney-client privilege and the work-product doctrine).
- G. The investigator should provide a fair opportunity for both sides to be heard.
- H. The investigator should begin by carefully reading the complaint. Next the investigator should review applicable Board policies, administrative procedures and manuals, laws, regulations, and collective bargaining agreements.
- I. The investigator should develop a plan, including:
 1. Witness list
 2. Order of interviews
 3. Questions for witnesses
 4. Physical evidence needed, e.g., records, documents, reports, photos, and letters
- J. The investigator should make logistical arrangements, e.g., determine interview location and the need for photographs and/or a video or audio recording.

- K. If the investigator encounters an issue with legal ramifications outside of his/her understanding, either before or during the investigation, he/she should consult the Board Attorney before proceeding further on that legal issue, as well as any other areas of the investigation it impacts.

Step 2: The Investigation

- A. Typically, interview the complainant first, next the subject of the investigation, and, finally, all witnesses. The following applies to all interviews:
 - 1. If possible, statements should be written, dated, and signed by the person being interviewed. Do not audio or video record statements without first obtaining the Board Attorney's advice concerning legal prerequisites and treatment of the recordings.
 - 2. Ask open-ended questions and do not suggest answers to questions.
 - 3. Record important details, essentially who, did what, to whom, when, and how done and, if appropriate, why?
 - 4. Be objective and nonjudgmental; do not prejudge an alleged wrongdoer's guilt. Never show outrage or dismay.
 - 5. Ask for the names of any other witnesses.
 - 6. Deal with emotional outbursts and anger by patiently explaining that details are needed for an accurate investigation.
 - 7. If a witness cannot be interviewed, record the reason.
- B. While confidentiality should be maintained, do not make promises of confidentiality or anonymity. Only the Superintendent may promise confidentiality or anonymity.
- C. Keep the Superintendent informed, but do not discuss the investigation with Board members in order to avoid the appearance of prejudice or unfairness.
- D. Obtain copies of all relevant written or electronic communications. Originals are not needed, but record how to get them.
- E. Collect physical evidence and photographs. Keep a record of when, and where, or from whom physical evidence was gathered.
- F. Document any information about the interview that is relevant, or may become relevant, including the person's demeanor, gestures, accuracy of memory, and overall credibility.
- G. During the investigation, keep the investigation file separate from personnel or student record files. In a subsequent hearing, the opposing side may be able to view the investigation file. Records relating to a public body's adjudication (hearing) of employee grievances or disciplinary cases are exempt from Freedom of Information

Act public records requests under 5 ILCS 140/7(1)(n). However, the exemption does not extend to the final outcome of cases in which discipline is imposed.

Step 3: Following the Investigation

- A. Report to the Superintendent or designee the investigation results, that is, the matters investigated, facts, conclusions, and recommendations. Prepare a written report if appropriate or requested.
 - 1. Answer who, what, when, where, why, and how.
 - 2. Factual findings are based on whether an incident's occurrence is more likely than not. Identify as many factual findings as possible to support a conclusion. In a "he said, she said" scenario, a decision can be based on the credibility of the parties and witnesses. Include in the report any findings that are inconclusive.
 - 3. Make a determination regarding credibility of specific evidence, that is, how believable is it and why by explaining the basis for the determination. Credible evidence is capable of belief by a reasonable person.
- B. Be prepared to testify as to the fairness of the investigation, the authenticity of the evidence, and the contents of the investigation report.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this procedure, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this procedure may forego any informal suggestions and/or attempts to resolve it and may proceed directly to the grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a

person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For bullying and cyber-bullying, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this procedure about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the Board, which will make a decision in accordance with the following section of this policy. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

This grievance procedure shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Superintendent will appoint 2 Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.
